ULVERSTONE

SPACIOUS PRIVACY WITH SPECTACULAR SEA VIEWS

This impressive home comes under the category of, 'They don't build them like this anymore'.

It might be a mid 80's build, but it has stood the test of time and is as solid as the day the keys were first handed over.

The space on offer is amazing, with the high raked ceilings of the massive lounge/living room, however the showstopper is the breathtaking 180degree sea views - east toward Ulverstone town, the Leven River and beaches, and west toward Penguin.

Here what's in store:

- Four generous bedrooms, with the master taking in the northerly sea views.
- Two bathrooms; a main bath with separate toilet and a bathroom servicing the main bedroom.
- Massive lounge/living room with loads of storage
- Large laundry which can access a loft/storage area in the roof cavity
- Sunroom which connects the main bed to the kitchen and gives access to the outdoor patio area.
- Outstanding kitchen with informal family living and dining space -
